The minimum technical score required to pass is: 75 Points/Marks.

The formula for determining the financial scores is the following:

\[ S_f = 100 \times \frac{F_m}{F}, \]

in which \( S_f \) is the financial score, \( F_m \) is the lowest price and \( F \) the price of the proposal under consideration. The weights given to the Technical and Financial Proposals are: \( T = 70 \) \( P = 30 \)

Proposals will be ranked according to their combined technical (\( S_t \)) and financial (\( S_f \)) scores using the weights (\( T = \) the weight given to the Technical Proposal; \( P = \) the weight given to the Financial Proposal; \( T + P = 1 \)) indicated in the Data Sheet: \( S = S_t \times T\% + S_f \times P\% \). The marine specialist achieving the highest combined technical and financial score will be invited for negotiations and signing of pre-bid MOU conclusion.
